Juvenile Offenders

America hasn't been able to make up its mind about what to do with juvenile law breakers. Even its expert opinion on the subject is divided between reporting the misdeeds of youngsters and keeping the present veil of silence that encloses the juvenile court.

In Michigan when children become 17 they become accountable to public opinion by being identified in court actions. Before that the law of secrecy protects

Secretary of State James M. Hare, a veteran of 10 years of direction of the state's licensing of automobile drivers, says there's a "terrible hole" in enforcement of the motor vehicle laws because the probate (juvenile) courts of Michigan don't report juvenile offenders to

"They argue," said Hare "that we shouldn't keep a permanent record on a 16-year-old, but we're giving him an adult privilege. (Driving a car.) We had one kid in Muskegon who had 28 separate traffic violations in one year and none of them were ever reported to us.'

Very clearly the protection of a juvenile in this instance entailed a danger to the public. The propriety of the present secrecy policy on juveniles is called into question by such flagrancy.

Britain Voting Too

For the first time since 1924, both the United States and Great Britain are holding national elections in the same year.

Britain's election day is Oct. 15, culminating an intensive three weeks' campaign. Americans, already wearied by a month and a half of politicking, will still have to wait another two weeks before they have the chance to throw out the rascals of their choice and install others in their place.

Aside from the fact that both countries have universal suffrage and that the contest in both is essentially between two major parties, their political systems and methods are strikingly different.

Although Sir Alec Douglas-Home is the leader of as time runs on without a magance toward countless estabthe Conservative Party and will, if his party retains a majority of the seats in Parliament, again be the prime minister, and although Harold Wilson is the leader of the Labor Party and will, if his party should capture a to be felt. majority of seats in Parliament, become the next prime majority of seats in Farnament, occurred in the minister, only a handful of Britain's 36 million voters within the Goldwater camp within the Goldwater camp What they object to is being November. (The third party, the once powerful Liberal Party, gets 45 minutes and 30 minutes in each category.)

"The aim." explains British Information Services,

"has been not to surfeit the electorate."

The party winning power can look forward to at least five years of rule, so long as it commands a majority of votes in Parliament and wins any "vote of confidence" that might be taken. At any time it feels it could increase its majority, the governing party can request the Queen to dissolve Parliament and call for another election.

Webster PTA **Opens Activities** For New Year

The first meeting of the Webster Parent Teacher Association was held Monday evening at the school

Robert Haack, president, urged a record attendance during the year to cooperate in observing the goals of the organization and also asked parents to attend the PTA Workshop at the high school Oct. 15 from 2:30 to 7:30 p.m.

Principal, Louis Diedrich, introduced the teaching staff, including Miss Vendela Sundquist, who has returned after a leave of absence. He also advised parents to equip their children's bicycles with lights and reflectors.

Mr. Haack introduced Luth-Barrett, superintendent of Escanaba Area Schools, who expressed pleasure at the record attendance and praised the PTA and its work. He explained his three-C theory for citizeship education—cooperative citizenship, contributive citizenship and creative citizenship. He did not deal directly with the school system's financial needs but did point out that The Covenant of Prayer in most families it costs more meeting will be held at First Meeting, Social to entertain a child than it United Presbyterian Church costs to educate him per year. Thursday at 9:30 a.m. He urged parents to attend Board of Education meetings

ceedings the following day.

The Preble Hornets, Holy Name's foe here Saturday afternoon, had a breather last weekend after winning three of their first four gams this fall ... Preble, coached by Bill Dessart, has registered victories over Abbot Pennings, Madison La-Follette and Menominee while bowing to Madison Edgewood

The victory over Menominee came by a 20-0 margin while Holy Name defeated the Maroons 19-0. * * *

Coach Carl Johnson of L'Anse was hospitalized last weekend while his Hornets exploded for six touchdowns in the first half enroute to a 45-0 victory over Baraga

Jim Scholar, assistant coach, took over the reins for Johason and saw his team pile up 270 yards rushing and 59 passing while holding Baraga to a net gain of four yards The Hernets intercepted six enemy passes.

He was the leading runner in the game with 180 yards on 19 Petr, 5 foot 7 inch, 183 pound make a home stand Saturday,

One of the biggest grid surprises of the past weekend was provided by Coach Gene Melchiori's Norway Knights who tied highly favored Wakefield 7-7. Wakefield had lost only one previous start this fall, bowing to powerful Superior East, while whipping Ironwood, Houghton, Bessemer and Ashland... Norway's lone victory this season was registered over Crystal Falls. *

Coach Dick Amble's Brimley Bays also raised a few eyebrows with a 25-6 victory over Pickford to take first place in the Eastern Conference standings ... Tim LaPine scored on a 45 yard run, Lynn Sutton on a 25 yard pass from Jerry Parrish and Paul Shaggen on a 40 yard run with an intercepted pass to hand Pickford its first conference setback.

Mark Martini scored all of Bessemer's points in a 10-6 verdict over Ironwood in Michigan-Wisconsin Conference action that snapped a three game losing streak for the Speed Boys... He scored on runs of 13 and 12 yards, caught a pass from Jim Ippolite for 10 yards and kicked one extra point.

The Holy Name Jayvee football team chalked up an 18-2 decision over the Gwinn Model Towner reserves in a game played Saturday at Gwinn.

Negaunee's Miners registered their first victory of the season by defeating Gwinn 27-6 behind an impressive performance by Terry LaForest who scored touchdowns on runs of 85, 10 and 5 yards.... Coach Lodi Morris' Miners had lost four and tied one in five previous outings.

The Stephenson Eagles, already cripped with the loss of three players with broken bones, suffered another blow in the 13-6 victory over Munising ... End Roger Wood sustained a concussion that will sideline him for the remainder of the season....Paul Dougovito suffered an ankle injury and may not be available this weekend ... And Mike Koldos, came out of the Munising battle with several cracked ribs ... Two blocked punts by Erwin Kranburg and Dennis Blowers led to the Bark River ... 3 1 0 112 38 Stephenson touchdowns.

First call for candidates for the Munising High School wrestling team was issued recently by Coach Lowell Dennis . . . A demonstration of the sport will be given during the basketball season and meets will be scheduled with other schools when the Mustang wrestlers have mastered the

Manistique, tied for first place with Escanaba in the GLC, hit the road Friday night for a game at Marquette. The Emeralds are 4-0 in the conference and need victories over Marquette and Newberry to share the throne room with the Eskymos.

Manistique was idle last weekend and Coach Dick Bon-ifas expected to have his gridders in peak physical condition, but stated today that several players have not responded to treatment of injuries.

Escanaba faces a rough nonconference foe Saturday at Iron Mountain. Coach Jerry Cvengros' charges are fresh from a 46-14 Homecoming triumph over Soo and Iron Mountain blasted Menominee 51-0 in its last start.

4-H Project Will Aid Girl In Turkey

The West Side 4-H Knit-Wits meeting Saturday at the home of their leader, Mrs. Irene Davis, elected officers and discussed the program for the coming year.

A letter from Azime Ascar. Tarsus, Turkey, a 4-K girl to whom Mrs. Davis has been writing for over a year, was read. Azime said that in Turkey it is 4-K: Kafa for head, Kalp for heart, Krollar for hands and Kuvvet for health. Members brought items that will be sent Azime in time for Christmas. A blank tape will be sent so Azime can make one to return to the club, which is sending her a tape.

Mrs. Davis reminded members that she would like the mittens for the Woman's Club by Nov. 1. Other business discussed was the club's goal of \$250 for Bay Cliff Camp.
